

DoYourTip.io

We salvaged a failed deflationary project with a goal to do what every other deflationary currency has failed to do! Blow it up!

PROBLEM

In the cryptoworld the attitude of the users does not play a big role.

Crypto is fancy, hyped and trendsetting but it is mostly anonymous and about profit only.

SOLUTION

To us positive attitude is more important than pure profit.

It is the attitude that counts in DoYourTip and users will get the chance to collect + burn DYT for being awesome.

BENEFITS

Users will get a scarce token while having a good time!

The more active the community is, the less tokens will be circulating.

TOKENOMICS

Total supply of 2,000,000 DYT

2% burning rate
500,000 DYT burned already.

DISTRIBUTION

The DYT distribution will last until the end of 2021.

Maximum distribution of 5,000 DYT every week.
No token sale.

FLEXIBLE

For transparency contests + bounties happen on-chain.
For efficiency actions and tipping happen off-chain.

TEAM

A mix of graduated IT nerds, office heroes, doctors and self employed people. 14 individuals.

APP

In our app the users will be able to use DYT to prove their attitude. The app is estimated for Q3/2020.
